Attachments: Padbury STW tanker movements 2019 to 2024.xlsx

Dear [REDACTED]

Provision of requested information

Thank you for your request for information about the sewage system at Padbury, which we received on 19 December 2024. Your request has been considered under the Environmental Information Regulations 2004.

The assessment hasn't been updated but the capacity of Padbury WRC has not changed since the Bronze calculation was done in 2017 and the permitted limits have also not changed - so this is still representative. The Population Equivalent served since 2017 and this has not exceeded the capacity of any of the treatment stages.

Please find attached the tanker movements on a weekly basis from 1 January 2019 as requested.

The information supplied to you continues to be protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including any non-commercial research you are doing, and for the purposes of news reporting. Any other re-use (for example, commercial publication) would require the permission of the copyright holder. It is important that this data is not published for security reasons.

If you are unhappy with the service you have received in relation to your request and wish to request an internal review, you should email EIR@anglianwater.co.uk or write to:

Legal Director, Anglian Water Services, Lancaster House, Lancaster Way, Ermine Business Park, Huntingdon PE29 6XU

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:

Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF

If you have any queries about this email, please contact me.

Yours sincerely

EIR Team

Anglian Water Services Limited
